

Subject: UNU Macau AI Conference 2025 / Your Submission is Accepted

We are delighted to inform you that your submission has been accepted at the **UNU Macau AI Conference 2025**, taking place on **October 23-25, 2025**, in **Macau SAR, China**.

To ensure everything is in order for your participation, please kindly follow the steps below:

1. Confirmation of Participation

Please confirm your on-site attendance by responding to this email no later than **COB July 15**. The conference is an in-person event and strongly encourages all participants to be physically present. Please use the template below to confirm:

This is to confirm the on-site participation of the following:

Title: [Your Submission Title]

Speaker: [Your Name & Title]

2. Submit Your Full Paper and Contribute to the Springer Conference Book

With this acceptance, you are also invited to submit a full paper on your proposal, by **COB July 30** via EasyChair. Please note that your paper will only be included in the book if you confirm your participation in the conference, as outlined above.

The papers will be included in the conference proceedings and contribute to the edited book, *“AI for Humanity: Building an Equitable Digital Future”*, to be published by Springer in 2026 as part of the UNU Artificial Intelligence and Sustainable Development Book Series.

The paper will undergo peer review, and accepted manuscripts will be published as chapters.

Paper submissions can be:

1. Research papers (up to 12 pages), offering in-depth analysis and original findings.
2. Policy case studies, practice guidelines, or technology-focused case studies (up to 5 pages), showcasing real-world applications and practical insights.

Please follow the Springer formatting guidelines (<https://go.unu.edu/7u8n4>) when preparing your paper. Here is the link to a template file (<https://go.unu.edu/hJ8gq>) with all the format presets to ensure your submission meets the required standards.

To submit your full paper via EasyChair:

1. Log in to the conference’s EasyChair page: <https://easychair.org/my/conference?conf=unumaic25>
2. Click on the “author” role to access your submissions.
3. Locate your submission (e.g., Submission ID: [Your Submission ID]).

4. Use the buttons in the top-right corner to “Add or update files” and upload your full paper.
5. If needed, you can also update your submission information (e.g., title, abstract, authors) from the same menu.

3. Registration & Logistics

We are pleased to offer a **special speaker registration rate of \$250 USD**, which includes access to all conference sessions, tea breaks, lunch, farewell reception, and priority check-in. Detailed information regarding registration and [logistics](#) will be sent to you shortly.

4. Spread the Word

Celebrate your participation by sharing on your social platforms! Here are some sample posts you can use to help spread the word:

I'm excited to announce that I will be speaking at the **UNU Macau AI Conference 2025** in Macau on October 23-24, 2025! Join me as we explore the latest advancements in AI under the theme AI for Humanity: Building an Equitable Digital Future.

#UNUMacauAIConference @UNUMacau

I'm excited to be part of the **UNU Macau AI Conference 2025** in Macau, happening on October 23-24, 2025! This conference marks a symbolic moment, celebrating the **80th anniversary of the United Nations** and the **50th anniversary of UNU**. It's an important time to boost international cooperation and multi-stakeholder dialogue. I look forward to contributing to these discussions.
